A CHAMPS"

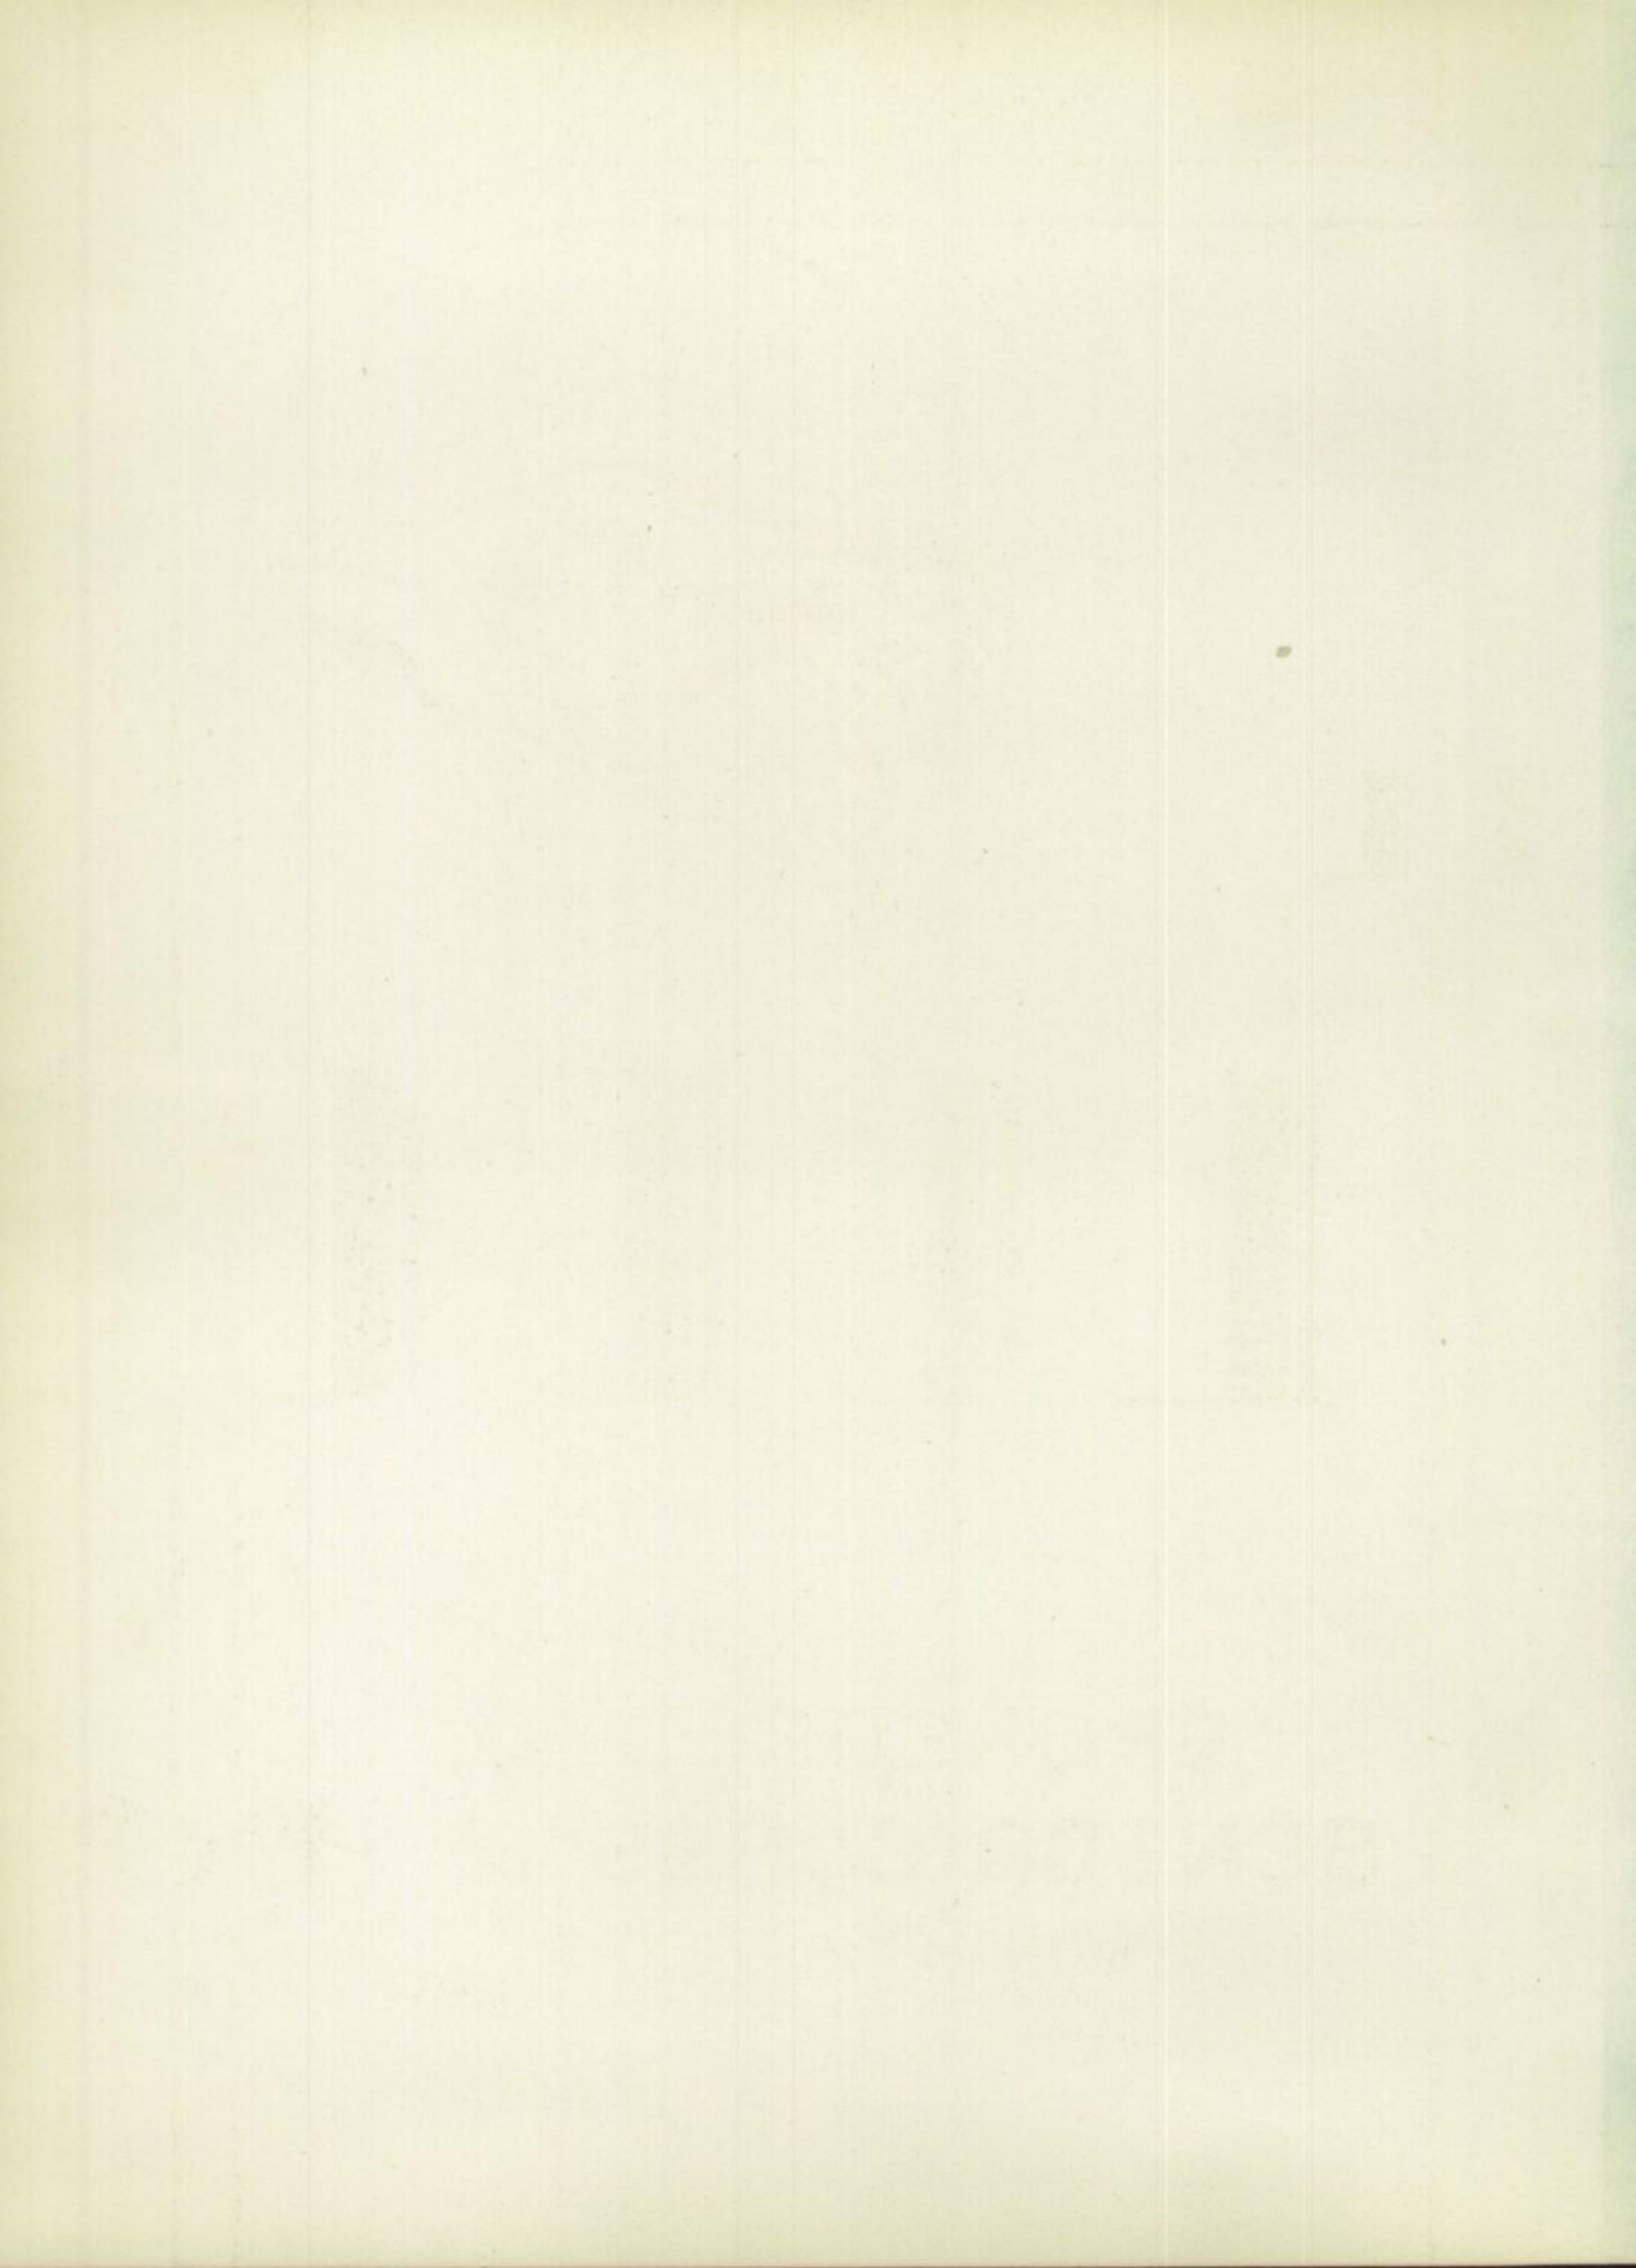

Hi "Teller!"

Ever since my Soph. year
(and a few back the other
way), I've learned to like
you. Also remember the
fun we've had on all
our Band trips. El Paso, San
Antonio, & all the large
football games. We surely
have had fun. Remember
me always as a true
friend.

Love,
Nancy

To a swell
guy even though
he borrows my history
Best wishes in future
years.
Love L/O
Claudia

Best of luck
to a very swell
guy and classmate
Lennie.

DEDICATION

In loving memory of
Charles Hutchinson
who was our classmate until his death
in October 1946
We, the Seniors of 1949,
respectfully dedicate this issue of The Lobo

Monahans-Wickett Independent School District

OFFICE OF THE SUPERINTENDENT

MONAHANS, TEXAS

Congratulations to Sponsors and Lobo Staff:

"Be thorough in all you do and remember that though ignorance often may be innocent, pretension is always despicable."

Education is unquestionably the greatest single influence for the preservation and the strengthening of "Our Freedoms" at a time when the air of every civilized community on this earth is charged with a fateful admixture of hope and foreboding. Every plan that we make for the future is tinged with uncertainty. Despite this uncertainty, we hope. .and we have a right to hope. .that some way may be found to dispel the clouds that envelope us and to establish eternal Peace and Good Will which all the people of the world so passionately want.

You have that heritage of setting at ease a world that has been engulfed by strife, hatred, selfishness, and discontent.

My best wishes.

R. D. Lu
